GYA
GLENDALE YOUTH ALLIANCE, INC.

GYA is a nonprofit organization in partnership with government, education, business and our community. Our programs are designed to build civic values in Glendale's youth and to provide a foundation for youth to learn job skills, and to become productive participants of the workforce. We have provided first time employment and training to over 4,000 Glendale area youth. The mission of GYA is to provide, coordinate, and support youth employment programs that have a positive impact on the future workforce of our region.
