### Management Services

#### Mission and Overview

Management Services is the department through which the City Manager, the chief administrative officer of the City, directs and coordinates the official services and business affairs of the City. Staff works closely with the City Council, recommending policy alternatives and assuring the proper and efficient implementation of Council-approved policies, programs and directives. This department coordinates the development of new departments and sections, assists in their management and is responsible for the preparation and presentation of the annual city budget to the City Council for its review and adoption. The department also provides staff support to the Commission on the Status of Women, which assesses and evaluates the needs and issues of women and girls in the City. The Internal Audit group is responsible for examining every phase of operations to insure the City's assets are properly recorded and safeguarded and that operations are conducted in an efficient and effective manner. Also the Public Information Office (PIO) oversees the dissemination of information to the public through various publications such as City Views and the City's Government Access Channel 6 on Charter Cable and serves as the liaison with the media.
