

Historic District

Historic districts are designated geographical areas defined by either a significant concentration of properties representing a collection of one or more historic architectural styles or a noteworthy historic development pattern. Historic districts are officially "overlay zones" requiring a zone change that must be approved by the Historic Preservation Commission, Planning Commission and City Council. More information can be found at: <http://www.ci.glendale.ca.us/planning/HPHistoricDistricts.asp>

Case No. _____

The city's Historic Preservation Planner is available to meet with you to discuss the historic district process prior to your submission of an application. We strongly encourage you to call (818) 548-2140 to arrange a preliminary meeting. Please also call to obtain the current historic district zone change fee.
