

SPECIAL REVENUE FUNDS

The Special Revenue Funds consist of those "restricted receipts" which may not be used for general municipal purposes. They are restricted by Local Ordinance, State or Federal Statute, to be used for specific purposes. These groups of funds represent services funded primarily by other levels of government and not "traditionally" provided by local government. Should the funding for most of these programs be eliminated, it is likely that the services would also be eliminated.

Summarized below are the Special Revenue Funds, together with comparative 2002-03 appropriations:

This year's Special Revenue Funds show an approximate \$26.2 million or a 27.8% increase when compared to the prior year. This change, however, is a net change and masks a variety of changes cumulatively into one increase. The biggest factor is the capital funding in various funds, especially the Glendale Redevelopment Agency Funds.

The Community Development fund shows no significant difference from the prior year.

The Housing Assistance fund shows an increase compared to the prior year due to increased revenue from the Voucher program this year.

The HOME Grant fund shows an increase compared to the prior year due to increased grant revenue and the use of reserves this year.

The Supportive Housing fund shows an increase compared to the prior year because of the use of reserves this year.

The Emergency Shelter fund shows no significant differences from the prior year.

The Workforce Investment Act fund shows a decrease from the prior year due to decreased revenues this year.

The Technical Skills Training Grant fund was first budgeted in fiscal year 2001-02. The fund contributes to the training of H1-B Visa employees in technical skills. It also shows a decrease from the prior year due to last year's budget utilizing reserves to pay for services in fiscal year 2002-03. This year's budget does not utilize any reserve balances.

The Code Enforcement Incentive Grant fund is a new fund created 2 years ago with a duration of three years. This fund shows no significant differences from the prior year.

The Glendale Redevelopment Agency budget as shown at this summary level shows a \$14.4 million or 53.7% increase. The majority of this increase is in Capital project spending. This year's capital projects include the following: \$15 million for the Town Center 2001, \$2 million for the San Fernando Road Streetscape, and \$415,000 for the Alex Theatre.

Low and Moderate Housing shows a significant decrease from the prior year due to last year's budget utilizing \$2 million in reserves to pay for services in fiscal year 2002-03. This year's budget only utilizes about \$334,902 in reserve balances.

The Local Transit Assistance fund shows a significant increase over the prior year due to increased grant revenue this year.

Air Quality Improvement, Narcotic Forfeiture, Special Grant, Supplemental Law Enforcement and Nutritional Meals funds show minor variations from the prior year.

The Fire Grants fund is a new fund created last year to account for all the grants that the Fire department applies for and receives. This fund shows a decrease from the prior year due to decreased grant revenue.

The Library Grant fund was created two years ago to account for the myriad of grants that the Library applies for and receives. Last year, we moved Public Library (PLF) revenue and equivalent Library expenditures from the General Fund into this fund. The fund shows a decline from the prior year primarily due to reduced grant funding caused the State budget crisis.

The Cable Access fund shows a decrease from the prior year due to capital expenditures for Channel 6 Facility Expansion last year.

The Electric Public Benefit charge began on January 1, 1998. This is a tax of 2.85% placed on electrical charges for every consumer. The City Council has sole authority of how to spend these monies subject to certain qualifications established by the California Public Utilities Commission. This fund shows a decreased from last year because of decreased revenue.

The Fire Communication Fund depicts the operation of a tri-city agreement between the Cities of Burbank, Pasadena and Glendale. The three cities have agreed to contract with the Cities of Arcadia, Monrovia, Sierra Madre, San Gabriel, San Marino and South Pasadena to provide them with Fire dispatch services. This fund shows a increase from the prior year due to this year's budget utilizing reserves to pay for services. Last year's budget did not utilize any reserve balances.
