MISCELLANEOUS FUNDS

These funds consist of two primary types. First, are the Internal Service Funds, which are proprietary businesses, serving only the City of Glendale. These consist of the Equipment Reserve Fund and all of our self-insurance funds: Unemployment Insurance, Uninsurable Litigation, Liability Insurance, Auto Insurance, {Workers} Compensation Insurance, Dental Insurance, Medical Insurance, Vision Insurance and Employee Benefits. All of these funds derive their resources from expensing the Governmental and Enterprise budgets and are already included within the City budget. They are presented for informational and memorandum control purposes.

The second fund type consists of entities, which are controlled by the City of Glendale, but service a geographical area greater than and/or different than the City. This consists of the Fire Communication Fund. The Fire Communication Fund depicts the operation of a tri-city agreement between the Cities of Burbank, Pasadena and Glendale. The three cities have agreed to contract with the Cities of Arcadia, Monrovia, Sierra Madre, San Gabriel, San Marino and South Pasadena to provide them with Fire dispatch services.
