

Community Development and Housing

Mission Statement

The Department of Community Development and Housing is committed to the economic vitality and social well being of Glendale's neighborhoods and residents.

FY 2001/02 Accomplishments

- Expanded Code Enforcement by implementing: 1) an augmented code enforcement program through the use of Redevelopment Housing Set-Aside Funds, which allowed for the addition of two additional code enforcement teams; 2) a State Grant Program, which allowed for the development of the Mariposa Neighborhood Improvement Project; and 3) a strategy to reconfigure code enforcement boundaries into smaller areas.
- Obtained a \$250,000 grant from the State of California to leverage funding for the Adams Square Revitalization Project and completed Phase I of public improvements and façade improvements.
- Completed development and occupancy of a 4-unit home ownership project and entered into 2 Affordable Housing Agreements to develop an additional 10 units of affordable home ownership housing.
- To attract more participating rental owners, Section 8 implemented two incentive programs: a) Moving Assistance Grant, b) Dwelling Repair Grant, and obtained Federal Department of Housing and Urban Development (HUD) approval designating Fair Market Rent Exception Areas for five Glendale zip codes.
- Exceeded eleven of eleven State of California, Workforce Development performance standards.

FY 2002/03 Goals

- Implement a city wide Systematic Rental Housing Inspection Program and reduce the average compliance time for typical code enforcement cases to 60 days.
- Develop a Public Nuisance Abatement Process for use by Code Enforcement Officers.
- Develop and implement an automated case management tracking system for homeless programs.
- Continue comprehensive training of staff on issues of cultural awareness and customer service.
- Collaborate with City departments and neighborhood residents to implement two neighborhood public improvement projects - one in the Holy Family Church neighborhood and one in the Franklin School/Lake Street neighborhood.
- Identify and enter into agreements for development of new affordable rental and ownership housing projects through the issuance of a Request For Qualifications and rehabilitate 30 existing single family and 10 multi family affordable housing units/projects.
- Implement: 1) a new Section 8 Home Ownership Program to transition renters to homeowners, and 2) a new criminal history screening program to promote the enforcement of community laws and standards.
- Complete automation infrastructure in the Verdugo Jobs Center to streamline client tracking and management.
