**TRAFFIC SIGNAL MODIFICATIONS
AT WILSON AVENUE/HARVEY
DRIVE AND BROADWAY**

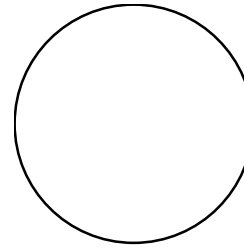

The City of Glendale's Public Works Department has retained our company to make certain traffic and street improvements in your neighborhood as part of the Traffic Signal Modifications at Wilson Avenue/Harvey Drive and Broadway Project.

To achieve this, the work will typically involve:

- Traffic signal upgrades and modifications;
- Installation of new striping and pavement markings;
- Realignment of roadway and travel lanes; and
- Construction of Portland Cement Concrete ADA curb ramps;

It is anticipated that the entire work will be completed within 80 working day(s) and hope that it does not cause undue hardships.

We appreciate your cooperation and understanding while we work to improve your City.
