The City of Glendale, Public Works Engineering will begin construction on the **SR-134/Glendale Avenue Interchange Modification Project** which includes modification of existing curb returns and installation of bulb-out at Balboa Avenue and Monterey Road; installation of new curb ramps meeting current Federal American with Disabilities Act requirements; reconstruction and resurfacing of existing intersection pavement; relocation and installation of existing and new street lights; modification of existing traffic signal; and installation of traffic striping and pavement markings.

The project is anticipated to start in July 2016 with an estimated completion early November 2016. For specific questions, contact Project Manager, Arthur Asaturyan at (818) 548 3945 or via email aasaturyan@glendaleca.gov. Additional information/updates and a map can be found on the project webpage: <http://bit.ly/1hchh5C>

Thank you for your patience as we improve Glendale's public infrastructure.

Roubik Golanian, P.E.
Director of Public Works
