

# Brand Boulevard of Cars

As it's name suggests, Brand Boulevard between Colorado Street to the north and Cerritos Street to the south, is lined primarily by auto-related businesses, including new and pre-owned dealerships and auto rental establishments. The existing street character consists of a mix of buildings built at and accessed from the sidewalk, buildings set back behind parking lots, and standalone parking lots. The roadway itself consists of two travel lanes in each direction separated by a landscaped center median with angled parking on both sides of the street. Sidewalks are planted with rows of palm trees.
