Start off the New Year with a New Adventure. Join us as we drive up the Hostetter Fire Road to reach the Experimental Forest. We will spend three hours in the Forest including travel time. Work will include the planting of new trees, watering and weeding around the established trees.

Meet us at Hostetter Fire Road in the Crescenta Valley, where the 210 Freeway crosses La Tuna Canyon Road. The fire gate will be closed at 9:15 a.m., so please be prompt. Gates will reopen at 12:00 p.m. at the conclusion of the workday. Our trip will be up the undeveloped Fire Road into the mountains. This road requires high clearance vehicles.

There are no bathroom facilities available during the event (another new adventure).

Please call to RSVP, (818) 548-3795.
