Join us for our first-ever summer bird watching trek from 8:00 a.m. to 10:00 a.m. along the Los Angeles River in the city of Glendale. This is a rare opportunity to spend time watching the birds that are on the river during the spring and summer months.

Our leader for the morning is Alexander deBarros from the San Fernando Valley Audubon Society.

Please bring your binoculars and camera to view and capture photos of our fine feathered friends. Participants are asked to wear sturdy shoes, protective clothing, long pants, hat and sun protection.

This event is FREE!!! But space is limited, so you must call us at (818) 548-3795 to reserve your place.
