screen, and  
gloves

**Saturday, June 22, 2019**

**8:00 A.M. - Noon**

**Deukmejian Wilderness Park  
3429 Markridge Road, Glendale, CA 91214**

June Gloom is a Southern California term for a weather pattern that results in overcast skies and cool temperatures during late spring and early summer. It's the calm before the summer swelter, the month of mild weather that precedes the scorching days of July, August and September.

So before it gets too hot, come on out and join us for a morning of outdoor fun. We've got trees to water, invasive plants to remove, and maybe even some trails to maintain. We have tasks for all ages and abilities. This is a great event for families, individuals, church groups, clubs, and students needing Community Service hours.
