CITY CONNECTION

CONNECTING TO THE COMMUNITY

May 2018

This publication is brought to you by Mayor Zareh Sinanyan, and Councilmembers Ara Najarian, Paula Devine, Vartan Gharpetian, and Vrej Agajanian

A Message From Yasmin Beers

Glendale City Manager

It's an exciting time in the City of Glendale. We have a proactive City Council and a dynamic leadership team. Just this past Tuesday, Council confirmed the appointment of two new Executives – Carl Povilaitis as Police Chief and Roubik Golanian as Assistant City Manager. They are both strong leaders and have proven track records of accomplishments. Mutually, Carl and Roubik have served in various capacities and have demonstrated an exceptional capability to adapt to an ever-changing community. Congratulations!

We are definitely moving at a steady pace. Your current leadership team and new department directors will continue the long history of excellence in Glendale by working together with the Mayor, City Council, staff, and

our community members. The strength that this leadership embodies, and the dedication and talent of our staff, has brought about a year filled with many accomplishments that will be carried through as Glendale moves toward its goals.

I'm proud of the teamwork I have seen in Glendale this past year. When it came down to critical decisions, Council and staff worked in symbiosis to discuss and work through them. Where there have been disagreements, they have been about approaches and strategies, not on purpose.

We are excited about the new opportunities in Glendale's future. Our community will only continue to get better and progress if we all work towards our overarching goal – to continue to provide our residents, businesses, and visitors with a full scope of high quality municipal services, programs, safety, facilities, infrastructure, and other amenities that make our community so desirable. Sure, we have difficult challenges ahead and important decisions to make, but I am confident that our team will embrace these challenges and move our community forward with a focus on our purpose and goals.

On behalf of the Glendale City Council, Executive Team, and staff, I'd like to say that it is a privilege and honor to lead this community at such a transitional and exciting time.

Plan (LHMP) to proactively facilitate and support community-wide policies, practices, and programs that make Glendale better prepared in the event of a disaster.

The City's Hazard Mitigation Plan must be updated every five years, and with a plan in place, Glendale can continue to be eligible for FEMA Mitigation Grant Funds if a disaster is declared. Although the plan enables the City to be eligible for various assistance grants, the plan's value really lies in the identification of hazards and helps the community better prepare for disasters.

Your participation can make our community more resilient to a disaster. We respectfully request a few moments of your time to respond to a brief survey:

Chevy Chase Sewer Diversion Project Completed!

This past April, the Public Works Department completed work on the construction of the Chevy Chase Sewer Diversion project, which is an important part of the City's efforts to maintain a world-class wastewater system. The project involved the construction of over 4,000 feet of new sewer pipeline along Colorado Blvd. in the City of Los Angeles, and along San Fernando Rd., Los Angeles St., and Garfield Ave. in the City of Glendale. Work was also performed in the Public Works Corporation Yard on West Chevy Chase Drive. We are thankful for the patience of residents and businesses throughout this project! Older Americans Month 2018

Across the country and here in Glendale, older Americans – a rapidly growing

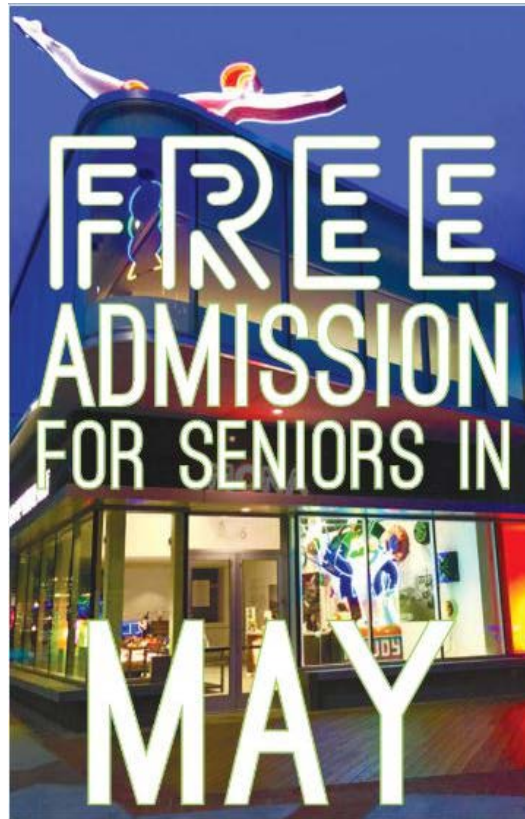

population – are taking part in activities that promote wellness and social connection. They're working and volunteering, mentoring and learning, leading and engaging.

For 55 years, Older Americans Month has been observed to recognize older Americans and their contributions to our communities. The month of May offers opportunity to hear from, support, and celebrate our nation's elders. This year's theme, "Engage at Every Age," emphasizes the importance of being active and involved, no matter where or when you are in life. You are never too old (or too young) to participate in activities that can enrich your physical, mental, and emotional well-being.

On May 8, 2018, the Senior Services Unit will accept a Proclamation from Mayor Sinanyan to kick off Older Americans Month activities.

We encourage our Glendale citizens to get involved by participating in Older Americans Month by attending, volunteering in, and/or celebrating one of the many City of Glendale programs in the month of May! To register for lunch at one of many Older Americans Month celebrations, please call (818) 548-3775.

As part of May is Older Americans Month, the Community Services & Parks Department has partnered with the Museum of Neon Art (MONA) to grant seniors free entry to the museum during the month of May.

Holiday Waste Collection

For the upcoming Memorial Day holiday on Monday, May 28, refuse will be collected as normal, so if Monday is your collection day, please make sure your bins are out! City offices will otherwise be closed. For more information about holiday collection, [click here](#).

Public Works Integrated Waste Management Brings EcoHero Show to Local Schools

WHAT DID YOU LEARN FROM THE EcoHERO SHOW AND WHY DO YOU WANT TO THANK YOUR CITY FOR HAVING IT AT YOUR SCHOOL?

This spring, Public Works Integrated Waste Management arranged performances of the [EcoHero Show](#) at 5 elementary schools across Glendale, entertaining and teaching over 3,700 students about their role in recycling and leading sustainable lifestyles. Mr. Eco, an environmental superhero who raps, sings, and dances to teach kids about these issues visited Mark Keppel, Columbus, Balboa, Monte Vista, and Mountain View elementary schools. We received numerous kind thank you notes from students who enjoyed the program, and Public Works will continue to bring great programs like the EcoHero Show to students all across Glendale!
