# Monarch Butterflies & the Plants They Love

Friday Night Lecture

Friday, January 21, 2022

6:30 PM – 8:30 PM

Deukmejian Wilderness Park

3429 Markridge Rd., Glendale, CA 91214

The Western Monarch Butterfly is in decline due to loss of habitat. The Arroyos & Foothills Conservancy has launched the Monarch Recovery Project to restore habitat for the Western monarch butterflies across the San Gabriel foothill communities. Join us to learn more about monarch butterflies and the Monarch Recovery Project. Betina Loudermilk of Betina's Butterfly Garden and Tim Martinez of Arroyos & Foothills Conservancy will be our guest lecturers for the evening. Seating is limited.
