ENTITLEMENTS REQUESTED:

Stage II Final Design Review Case No. PDR 2119308: The Project's architectural design will be presented to the Design Review Board for advisory comments of the Stage II Final Design Review submittal. Comments will be forwarded for consideration to the City Council at a later date (to be noticed separately). The project will also be presented to the Historic Preservation Commission for comments because the existing commercial/bank building is a potential historic resource.
