# ARE YOU IN COMPLIANCE?

**NOTICE: The Ordinance regulating Distribution of Disposable Foodware Accessories went into effect on February 11, 2022.**

## Disposable foodware accessories include:

- utensils
- splash sticks
- wet-wipes
- condiment packets
- cocktail sticks
- cup lids
- disposable straws
- toothpicks
- cup sleeves
- stirrers
- napkins
- beverage trays

## Provisions

### Starting February 11, 2022 - Large food and beverage facilities:

- May only provide disposable foodware accessories to dine-in and take-out customers upon request.
- Must display the City of Glendale Distribution of Disposable Foodware Accessories Ordinance Customer Advisory Notice (see reverse side).
- May ask drive-through and delivery customers if they want disposable foodware accessories.
- Can provide a cup sleeve and lid to drive-through, take-out, or delivery customers if they order hot beverages.

### Starting March 13, 2022 - All food and beverage facilities in the City:

- Must use an online ordering platform with an "opt-in" feature for customers to obtain disposable foodware.
- Cannot provide disposable foodware accessories if they were not requested through the "opt-in" feature.
- Shall not provide self-serve Disposable Foodware Accessories dispensers.

## Exemptions:

- All Health Facilities and Residential Care Facilities for the elderly as defined in Sections 1250 and 1569.2 of the California Health and Safety Code are exempt from the provisions above.

For more information, contact the City of Glendale, Office of Sustainability at [www.Glendaleca.gov/sustainability](http://www.Glendaleca.gov/sustainability) or call (818) 548-3351.

# consider the environment BE FOODWARE AWARE
