# SUNSET INTERPRETIVE HIKE

SATURDAY, OCTOBER 22, 2022 | 5:00 PM - 7:00 PM

DEUKMEJIAN WILDERNESS PARK

3429 MARKRIDGE ROAD, GLENDALE, CA 91214

Have you ever been to the Wilderness Park as the sun starts to set? Join us for a slow-paced, moderately difficult hike on the Vineyard Trail and the Mummy Rock Trail as we learn all about the Wilderness Park when the sun goes down. Bring your flashlights (we have red covers). Sunset is projected for 6 pm, so we will have one hour before and one hour after sunset to experience the changes.

**Space is limited, please RSVP at [Glendaleca.gov/sunset](https://glendaleca.gov/sunset)**

**Bring water and a flashlight, and wear sturdy shoes.**
