## DESIGN REVIEW BOARD PUBLIC MEETING

Design Review Board will conduct a public meeting in accord with Glendale Municipal Code, Chapter 30.47.090, regarding the following application requesting:

To construct a 35 SF addition to and a 73 SF demolition of the first floor of the existing 1,523 SF one-story single-family residence and a new 1,205 SF second story. After the proposed project, the residence will be 2,690 SF. The subject site is zoned R1R, FAR District II, is 18,370 SF in area and consists of two lots. The existing house currently is built over the common lot line. Demolition of a portion of the existing house will enable this residence to comply with minimum interior setback standards and allow the future development of the other lot. The existing attached two-car garage will remain. A swimming pool north of the house is also proposed as part of the project.
