

**NOTICE OF CROSSWALK REMOVAL
CITY OF GLENDALE, DEPARTMENT OF PUBLIC WORKS**

NOTICE IS HEREBY GIVEN, pursuant to California Vehicle Code (CVC) Section 21950.5, that the City of Glendale has scheduled the removal of the existing crosswalk at La Crescenta Avenue and Roselawn Avenue. Pursuant to CVC Section 21950.5, an existing crosswalk may not be removed unless notice and opportunity to be heard is provided to the public not less than 30 days prior to the scheduled date of removal. The scheduled date of removal of the existing crosswalk at La Crescenta Avenue and Roselawn Avenue will not commence prior to November 16, 2020.

The crosswalk will be removed and will not be replaced. Due to the unique geometry of the La Crescenta Avenue/Roselawn Avenue intersection, the existing crosswalk leads pedestrians to an area with no sidewalk or American Disabilities Act (ADA) access.

To adhere to the required Covid-19 social distancing guidelines, per California Governor Newsom's "March 17 Order", the City will hold a virtual public hearing to receive public input on **Monday, August 17, 2020** at **6:30 p.m.**, at <https://www.glendaleca.gov/government/departments/public-works/projects/current/la-crescenta-avenue-rehabilitation-project>.

Public comments may be given during the virtual public hearing via telephone at (818) 937-8100 on August 17, 2020, or can be submitted in writing via email to Edward Hitti, P.E., Assistant Director of Public Works/City Engineer, at 633 E. Broadway, Rm 205, Glendale, CA 91206 or EHitti@glendaleca.gov. Written comments must be received by Monday, August 17, 2020.
