Ikebana Workshop with Saeko

Sunday July 28, 2024

11:00 AM to 1:00 PM

Learn the basics of Japanese flower arranging.

Ikebana (生花) means *living flowers*. The Japanese art of flower arranging has been described as being at once more subtle, more sensitive, and more sophisticated than the methods of arranging flowers usually employed in other cultures. This is so because **Ikebana is an art** in Japan in the same sense that painting and sculpture are arts elsewhere.
