<i>Description: Electric Landscaping Demonstration Event.</i>							
<i>It is an event organized by the Office of Sustainability and the American Green Zone Alliance (AGZA) to showcase electric landscaping equipment and state rebate programs for electric equipment. The target audience is landscaping businesses and residents to raise awareness of a new ordinance prohibiting the use of gas-powered leaf blower, encourage a transition to electric landscaping equipment, and share information on available funding opportunities. Visitors to the event will be able to test equipment with support from AGZA staff and learn about different types of electric landscaping equipment. There won't be a sale of equipment at the event, but visitors would be able to find information on where to purchase equipment and receive rebates.</i>
