

NOTICE OF CITY COUNCIL PUBLIC HEARING
CITY OF GLENDALE

NOTICE IS HEREBY GIVEN

Project Description

To consider an extension of Interim Urgency Ordinance No. 6009 of the City Council of the City of Glendale, California, imposing a moratorium on issuance of entitlements and/or permits for the establishment of new or replacement retail uses selling firearms or ammunition in the City and declaring an urgency thereof, a written report describing measures taken to alleviate the condition which led to the adoption of the moratorium ordinance, and findings under the California Environmental Quality Act and findings pursuant to Government Code Section 65858(c).

Environmental Determination

Staff has evaluated the potential environmental effects of adopting a one-year extension of Interim Urgency Ordinance No. 6009 related to a moratorium on new or replacement retail uses selling firearms or ammunition within the City of Glendale within the meaning of and pursuant to CEQA, and have determined this action is exempt from further review under the California Environmental Quality Act (CEQA), pursuant to sections 15061(b)(3) and 15308. CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. Moreover, this action of extending the moratorium will prevent changes to the existing physical environment within the city, and therefore, will not result in significant environmental impacts under CEQA, which are made in comparison to existing physical conditions. Therefore, it is the City's determination that this ordinance will not have a significant effect on the environment and is not subject to further CEQA review.
