## SUPPORTING DOCUMENTS

The following documents are required to be submitted with this application:

- Specification sheet for EV chargers
- W9 Form for party receiving rebate payment.
- Proof of Additional Criteria if applicable (see Additional Criteria section on the 1<sup>st</sup> page of the application)

The following are to be provided after the project is completed:

- Copy of paid invoices for all EV chargers and installation
- Photograph of all installed EV chargers
- Copy of the final building permit & electrical permit from the City of Glendale's Building & Safety Department

Send application and all supporting documents to:

**Email:** [GWPrebates@GlendaleCA.gov](mailto:GWPrebates@GlendaleCA.gov)

**Fax:** 1-818-240-6492

**Mail:**

Glendale Water & Power

Attn: Electric Vehicle Charging Station Rebate Program

141 N. Glendale Ave., Room 114A

Glendale, CA 91206

## PROGRAM TERMS & CONDITIONS

1. Applicant must be a GWP customer with an active GWP account on an L2, LD2, or PC1 electric rate.
2. Application must be signed, dated, and contain ALL supporting documentation.
3. GWP is not responsible for items lost or destroyed in the mail or by email.
4. Applications must be submitted no later than six months from the installation date and are accepted on a first-come, first served basis.
5. Customers may reserve a rebate if their project is not completed. Customers that reserve a rebate must complete the project within 4 months of the reservation date.
6. Rebates are issued in the form of a reimbursement check.
7. Rebates are limited to the lesser of \$50,000 or 50% of the total project cost, or the lesser of \$75,000 or 75% of the total project cost if the customer meets at least one of the criteria in the Additional Criteria section of this application.
8. The rebate is for EV chargers that utilize the SAE J1772, CHAdeMO, Combined Charging System (CCS), or Tesla Connector, and are UL or equivalent listed.
9. Final City of Glendale Building & Safety Division permits for the project must be submitted once the project is completed.
10. Chargers that are portable, plug-in, resold, rebuilt, received from warranty insurance claims, or won as a prize are not eligible for rebates under this program.
11. GWP will evaluate effectiveness of rebate and may adjust the amount if necessary, and as the budget allows.
12. This program may be modified or terminated without notice.
