Administrative Design Review Case No. PADR-003469-2024

The Director of Community Development will render a final decision on or after **October 16, 2024**, for the following project:

The applicant proposes to add a 328-square-foot (SF) front addition with a 27-SF front porch to an existing 961-SF single-family dwelling built in 1925 on the 6,560-SF site, which is located in the R-3050 (Moderate Density Residential) Zone. The project includes a new detached accessory dwelling unit, which is not subject to design review.

The project is exempt from CEQA review as a Class 1 “Existing Facilities” exemption pursuant to Section 15301(e)(1) of the State CEQA Guidelines because the proposed additions will not result in an increase the floor area by more than 2,500 square feet. Additionally, the property does not appear eligible for historic designation at the federal, state, or local level and is therefore not considered a historic resource under CEQA.

Project Address: **1363 East Garfield Avenue**

Case Planner: **Alan Lamberg**
